

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in Paper filed on 11/09/2004 (Applicant elected without traverse).

The application has been amended as follows:

IN THE CLAIM:

Cancel non-elected claims 15-20

2. The following is an examiner's statement of reasons for allowance: the prior art of record neither anticipates nor renders obvious all the limitations recited in the amended base claim 1, including a semiconductor device having an MIM capacitor comprising the combination of the structures having: a second insulating film formed above the MIM capacitor; and a guard ring buried in the second insulating film, the guard ring surrounding a single MIM capacitor and penetrating the second insulating film from its top to its bottom.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phat X. Cao whose telephone number is 571-272-1703. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wael Fahmy can be reached on 571-272-1705. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
